The **traditional Krampus (devil) displays** in Seefeld, Leutasch and Reith take place from **end November / beg. December**. The Krampus display in the pedestrian zone in Seefeld on 02.12. can be quite scary! With their hairy costumes, bells and wooden masks, the Krampus embody a **long-established tradition** in Tyrol. OVERVIEW

LEUTASCH CHAPEL ADVENT

Memories of Christmas past! Join the guided chapel walks with Monika and Hans Neuner for a truly special experience and enjoy some traditional fare in a Leutasch restaurant afterwards. Choral groups or brass musicians provide musical accompaniment and flame torches help light the way as you walk between the chapels, discovering their stories as you go. The Chapel Advent takes place at 17.00 on Fridays and Saturdays during the Advent period. Reservations required for dining at the various restaurants.

KLINGENDER ADVENT (MUSIC EVENT) ON TIROLS HOCHPLATEAU
