# OVERVIEW

## SEEFELD CHRISTMAS MARKET IN THE PEDESTRIAN ZONE

The charming market in the Seefeld pedestrian zone will get you **in the mood for Christmas**. Open daily from 14.00 – 21.00 from 01.12.2023 – 07.01.2024, the delightful wooden Tyrolean-style stands offer visitors a variety of **handicrafts, tasty treats** and **gift ideas**. You really feel the Christmas spirit in the evenings when the Seefeld brass band performs and the local choirs fill the air with traditional Christmas songs.

## SEEFELD LIGHT DISPLAY

The Kurpark, around the corner from the Seefeld Christmas Market, has an atmospheric light display with stars in the trees, a glittering Casino tower and an illuminated whale in the little pond. The interactive “4-wins” game is a real highlight and anyone can try.

## KRAMPUS DISPLAYS IN THE REGION SEEFELD

The **traditional Krampus (devil) displays** in Seefeld, Leutasch and Reith take place from **end November / beg. December**. The Krampus display in the pedestrian zone in Seefeld on 02.12. can be quite scary! With their hairy costumes, bells and wooden masks, the Krampus embody a **long-established tradition** in Tyrol. Over 20 Krampus groups from around Austria guarantee a spectacular and spirited show.

## LEUTASCH MUSEUM ADVENT & CHRISTMAS MARKET

The Leutasch Christmas Market at the Kulturhaus Ganghofer Museum hosts **local suppliers, products** and **specialities** and is open from 15.00 – 19.00 on the **three Advent Sundays** in December. The pretty Advent stands add to the festive flair and there is a varied programme for the whole family with book sales, story-telling for children, Christmas arts and crafts, readings, concerts and sleigh rides.

# OVERVIEW

## LEUTASCH CHAPEL ADVENT

**Memories of Christmas past!** Join the guided chapel walks with Monika and Hans Neuner for a truly special experience and enjoy some traditional fare in a Leutasch restaurant afterwards. Choral groups or brass musicians provide musical accompaniment and flame torches help light the way as you walk between the chapels, discovering their stories as you go. The Chapel Advent takes place at 17.00 on Fridays and Saturdays during the Advent period. Reservations required for dining at the various restaurants.

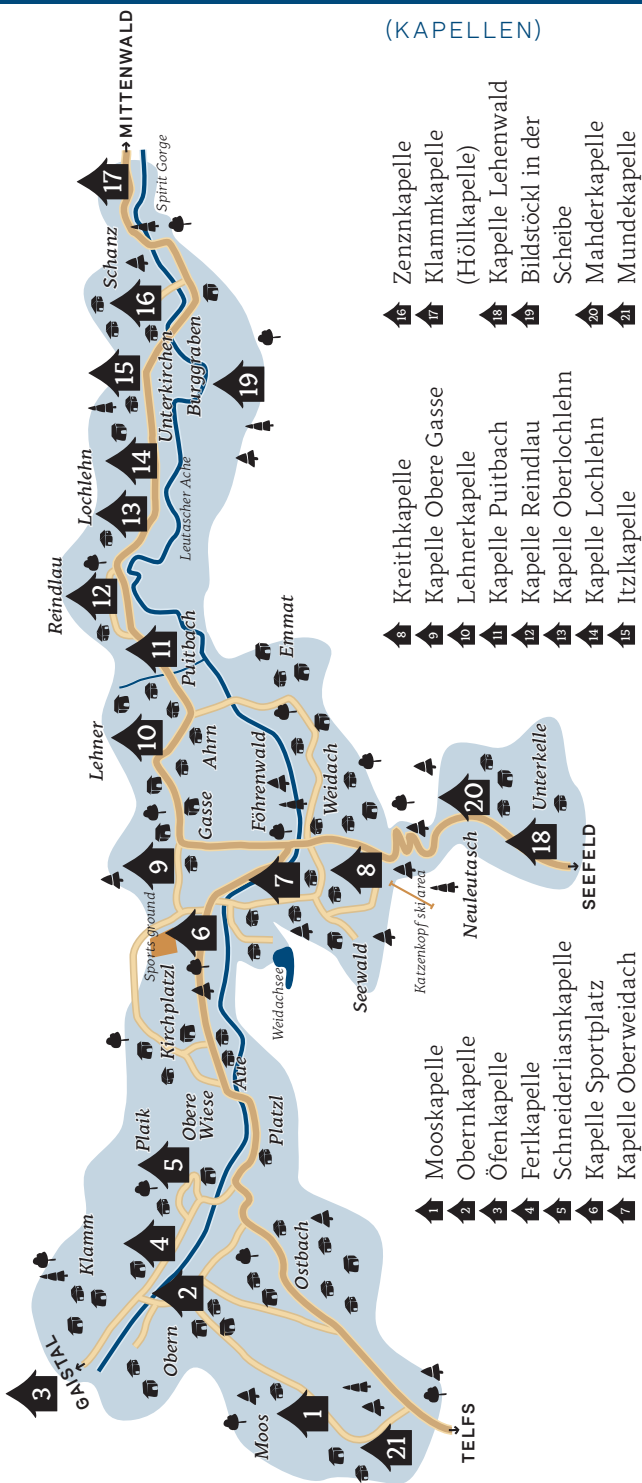

## KLINGENDER ADVENT (MUSIC EVENT) ON TIROLS HOCHPLATEAU

**Atmospheric concerts and a visit to the Seefeld Christmas Market** make the days from 12. – 14.12.2023 a real highlight in the run-up to Christmas. On Wednesday 13.12., the band, the **Kastelruther Spatzen**, celebrates its **40<sup>th</sup> anniversary** with a fabulous concert in the WM-Halle in Seefeld and on Thursday 14.12., **4REAL American Gospel** with **Shelia Michellé** perform a fitting grand finale.

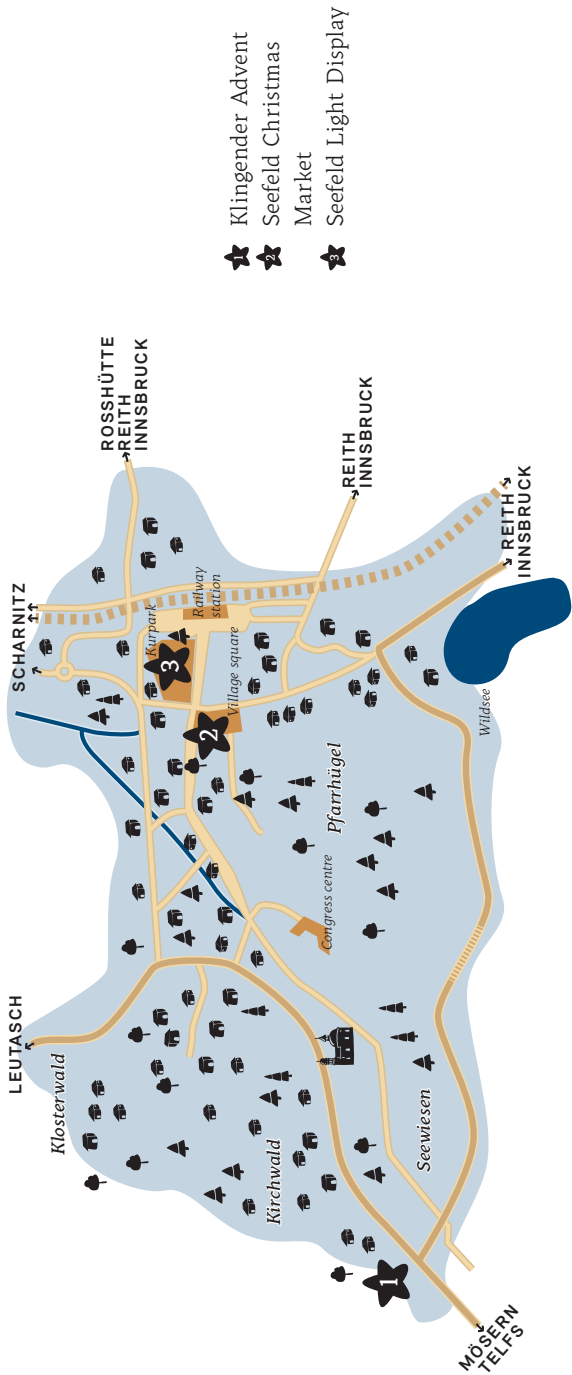

## SCHARNITZ, MÖSERN AND REITH

On 02 and 03.12.2023, the Christmas Market by the **Arts & Cultural Association in Scharnitz** signals the start of the Scharnitz Advent. In **Reith**, Advent begins with the sale of traditional wreaths by the Reith farming ladies - proceeds are donated to a worthy cause - and with a **mulled wine at the Christmas stand**. The village also has a **nativity scene** on display. **Mösern** too will have a small Advent programme for visitors.
